Looking forward to 24th September 2022!

Every Corner Network

Creativity across care homes - Starting on Tuesday 11th Jan at 10am

We meet online on the second Tuesday of each month to invigorate, inspire and create together. Each session is led by the Southbank Centre and NAPA. The sessions connect professionals and volunteers working in care settings across the UK interested in embedding creativity into every corner of the homes they work in. The sessions are free and require no previous art experience –all we ask is that you come with an openness to share your experiences and try new activities with us.

If you'd like to join us please email creativecare@southbankcentre.co.uk and we'll add you to our mailing list.

Calendar Activity

King Cake

Twelfth Night is a festival that takes place on the last night of the Twelve Days of Christmas. Superstition suggests it is unlucky to remove Christmas decorations hanging after Twelfth Night...

Food and drink are at the centre of the celebrations – wassail punch is enjoyed and special pastries, such as a tortell de reis or king cake, are baked and eaten the following day for the Feast of the Epiphany celebrations. The Theatre Royal, Drury Lane in London has had a tradition since 1795 of providing a Twelfth Night cake.
