Five Go Jiving

Five Go Jiving at the Southbank Centre - Thursday 23 December 12pm

Kick off the festive season in style with a live-streamed dancing extravaganza from Five Go Jiving. The Southbank Centre's much-loved festive jive event is back for 2021, and now you can enjoy it from the comfort of your own home. Band leader John Bayley and a glittering line-up of musicians play a mix of jive and jazz to entertain you and get your toes tapping.

This event is free, but ticketed. To reserve a place, please email creativecare@southbankcentre.co.uk. We'll send the zoom details out on the day of the event.

Art by Post

Explore and Inspire, a free creative booklet for professionals and volunteers working across care settings

Explore and Inspire is a collaboration between Thessa Verwolf and Emily Chilvers from Nightingale Hammerson, puppeteer Nenagh Watson, Alison Teader and Natalie Ravenscroft from NAPA Arts in Care Homes, and the Southbank Centre. We believe it's important for everyone to take time out from their daily routine and enjoy doing something creative. Both for

yourself, and for the colleagues and those that you support. This is your invitation to take a sensory exploration with those around you. We hope these activities generate inspiration from within your home, and encourage creativity and expression to blossom.

We have 1000 booklets to post out, sign up for yours [here](#). In addition to receiving Explore and Inspire, we'll also send you a postcard each month with a different creative activity, inspired by our Art by Post community.

We are delighted to be involved in the **National Care Forum Managers Conference** 14-15 March 2022 which is open to all managers from all care settings across England as care services move from crisis to recover. Don't delay for the early bird offer
